

# **DONATION CENTERS CLOSED**

Attention Goodwill Donors,

Due to the extended closure of our retail stores during this unprecedented time, we have made the difficult decision to temporarily close down all of our donation centers.

We have been accepting donations for the last two months without the ability to sell anything, so we have unfortunately run out of resources.

Please hang on to your donations, we are looking forward to the day when we can reopen our retail stores and welcome back all of our loyal shoppers and donors.

Do not leave items behind our stores while we are closed, we will not get them. Anything left at our donation centers will become a public health hazard and 100% of it will unfortunately end up in a landfill.

Leaving items while we are closed costs us money and hurts our ability to carry out our mission of helping people find jobs.

Thank you for understanding and your continued support! Updates will be posted on our website at [www.gwvsb.org](http://www.gwvsb.org).
