

Training Certificates Career Advancement

Goodwill's training and career advancement learning opportunities can help you get a job in your desired field or advance in your career.

GOODWILL® MISSION SERVICES | Changing Lives Through the Power of Work

Services available at locations across Ventura and Santa Barbara Counties.

ServSafe Food Handler Card

A Food Handler Card is required for employees who handle food. We can help you complete the training and pass the exam.

Certified Nurse Assistant

Through local community partnerships, we can help you become a certified nursing assistant (CNA). A CNA helps patients with activities of daily living and other healthcare needs.

Microsoft Office Training

Essential for today's workforce! The skills Microsoft Office training affords you will give you a wider range of career positions to choose from.

Customer Service Certificate

This training is designed to help entry-level sales and service associates learn skills related to front-line work in any industry that values customer service and sales skills.

QuickBooks Training

For anyone planning to use QuickBooks for their own finances or to provide bookkeeping/accounting services for work.

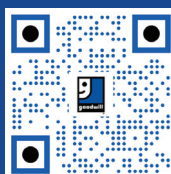

California Guard Card

We will guide you through the pre-licensing course (guard card class) and help you with the live scan process, state application, job placement, and final training.

Additional trainings may be available. Eligibility varies by program. Most services are offered at no cost.
